

VRC

DIETRICH FRAN CZUSZKI, DVM, MS

Neurosurgery, Orthopedics

Dr. Franczuszki completed his veterinary education at Ludwig Maximillians University in Munich, Germany, followed by an internship and surgical residency, after which he was asked to remain as Assistant Professor of Veterinary Surgery. After receiving his accreditation in veterinary surgery in Germany, he moved to the U.S. with his family and completed his second surgical residency at Kansas State University, where he earned his MS degree in small animal surgery.

Dr. Franczuszki is one of the most distinguished orthopedic surgeons in Pennsylvania, earning his reputation by successfully performing thousands of even the most complicated veterinary orthopedic procedures. He has extensive training in veterinary orthopedics and neurosurgery, and is certified in knee and hip replacement surgery.

Dr. Franczuszki is an active member of the Veterinary Orthopedic Society and the American Veterinary Orthopedic Research and Education (AVORE) Association. He is also President of the Eastern Veterinary Orthopedic Society (EVOS).
