

VRC

JOHN D. ANASTASIO, DVM, DACVECC

Emergency and Critical Care

Dr. Anastasio hails from New York City, where he earned his undergraduate degree in Biology at the City University of New York. He then attended Ross University and completed his clinical year at the University of Pennsylvania. After a rotating internship at the Animal Medical Center in Manhattan, he was accepted into the Emergency/Critical Care Residency Training Program at Tufts University. Board certified, Dr. Anastasio is a Diplomate of the American College of Veterinary Emergency & Critical Care and his interests include respiratory medicine, hemodynamic optimization and trauma. He serves as Medical Director at VRC.
