## MICHAEL S. MILLER, MS, VMD, DABVP

*Cardiology*

After earning his BS at Florida State University and his MS in cardiac electrophysiology at Auburn's College of Veterinary Medicine, Dr. Miller received his VMD degree from the University of Pennsylvania's School of Veterinary Medicine. For twelve years, Dr. Miller worked as a cardiology apprentice under Dr. Larry Tilley, DACVIM, at the Animal Medical Center and Cardiopet, Inc. During his tenure at Cardiopet, he was a cardiology consultant, Vice President of Medical Affairs, and Board Director, and received the American Animal Hospital Association (northeast region) Outstanding Service to Veterinary Medicine award.
