

## Lunch & Learn Topic Menu

Get more out of your Lunch & Learns with VRC! Our team of certified specialists wants you to feel confident springing into action when an emergency situation arises. Please review our updated Lunch & Learn Topic Menu below to see what the best fit would be for your practice. In-person visits may be available to hospitals within a 50-mile radius of Malvern, PA. Video chat options are also available. Please contact Brian Haugen at [brian.haugen@compassionfirstpets.com](mailto:brian.haugen@compassionfirstpets.com) or by giving him a call at 267-566-6302 if you are interested in scheduling a Lunch & Learn or have any questions.
